

Van Dyck Road Show June 2016

Van Dyck would like to thank everyone who attended and supported the road show a few weeks ago. We visited seven cities (East London, Port Elizabeth, Bloemfontein, Durban, Cape Town, Johannesburg and Pretoria) to launch some exciting new products and to showcase our strong partnerships with local and international suppliers who are all experts and leaders in their field. We had an amazing turnout of more than 570 professionals such as designers, decorators, architects, quantity surveyors, flooring retailers and wholesalers attending our different presentations. We also ran a competition whereby we asked each visitor to complete a form and give feedback on each of the products showcased. We then selected 10 people to win R10 000 worth of prizes on the lucky draw. Congratulations to the following winners:

1. Kerri-Lee Wanckel – Styleast (East London)
2. Henry Jordaan - House & Home Greenacre (Port Elizabeth)
3. Debra Donijan – Waltons (Durban)
4. Siyanda Dlamini – Floor Trader Springfield (Durban)
5. Chriselda Liebenberg – Top Carpets & Floors (Free State)
6. Vivienne Meijer – Creative Images (Cape Town)
7. Corrie Briers – Floorstore OnTrend (Cape Town)
8. Yolanda Venter – Carpet Worx (Pretoria)
9. Melissa Castleman – Tower Bridge (Johannesburg)
10. Jesse Hamman – Solid Green Consulting (Johannesburg)

Many thanks again for all your support and until next year.
