Further Terms & Conditions

1. Luxury Vinyl Planks must be fitted in accordance with the respective suppliers installation instructions.
A copy of these guidelines is available on request.
Failing to adhere to these instructions (including point 3 below) could compromise the Guarantees & Warranties.
As a leader in promoting greener flooring solutions, Van Dyck Floors recommends the use of solvent-free and low VOC adhesives.
2. We will not accept responsibility for related fitting costs beyond the first 50m² should there be a complaint regarding colour variation or quality issues with the product.
3. The only approved underlay under Verve SPC Rigid Click is our Ecolay 2.5MM - no other underlays can be used under this product and the floors need to be fully flat, leveled and smooth at all times.
