

PRICE LIST UPDATE NOTIFICATION - Effective 5th October 2020.

Dear Valued Customers,

We hope that you are all keeping safe & well and that you are adjusting nicely to the “new normal” that we have been subjected to.

The COVID 19 pandemic and resulting lockdown has set us all back for a few months unfortunately, but we are happy to inform you that we are now going full steam ahead updating our product offering and we hope that you have received samples of all the new ranges we have been launching recently, and please be aware that the best is still to come over the next few weeks. By the end of this month all our new ranges will be fully launched and we will then have a very balanced line up of desirable qualities from entry level to top end luxury in our opinion.

Please find attached our new price list and please take note of the following important changes:

1. We have removed some ranges that we will no longer distribute making our product offering much more balanced and applying “the less is more” principle.
2. We have added 2 exciting new broadloom carpet ranges, Luxor and Kesari, that will replace Gracious and Angelic which were discontinued by our overseas suppliers regrettably.
3. Due to exchange rate fluctuations and supplier price adjustments, we had to increase the Lily, Romeo (broadloom carpets) and Duo 10 (artificial grass) pricing by 5% unfortunately, but we will honour all orders placed before the price increase and orders that were negotiated before notification.
4. We also changed our needlepunch plain-back tile packaging to 5m² per box, which will assist you to reduce your wastage on smaller orders drastically.
5. We included a provision regarding the installation of Verve on underlays to reconfirm that our Eco-Lay 2.5mm is the only approved underlay for this product.
6. We consolidated our artificial grass and recycled rubber underlay offering and will only stock a limited number of thicknesses from now on.

We thank you all for your valued support and wish you good health during these exceptional times, and we ask you to please be safe for the balance of this year and into the festive season.

Good luck and kind regards.

The Flooring Network Team.
